

Public Works Committee Meeting Agenda
Wednesday October 2nd, 2019
5:00pm

Agenda:

- 1) Open Forum.
- 2) Street Lighting Request. I had a verbal request from a resident of Wolf Chase to add general street lighting. Since there is no formal request, I am looking to see if there is any interest installing street lighting anywhere at this time. In particular, in areas that aren't subject to high speed/heavy traffic. (Discussion All)
- 3) Hazelwood Drive Reconstruction Sewer Main Extension and Weight Limit. With the upcoming reconstruction of Hazelwood likely next summer, we need to make a recommendation to the City Council to either install sewer main or not and what the final weight limit will be for the road, seven or nine ton. (Jenny, Tom, Mark)
- 4) Rardin Excavating Driveway Construction request. Rardin Excavation would like to extend a driveway for a resident on Pine Street to Lowland Lane along city right-of-way. The right-of-way is currently not maintained. (Tom)
- 5) 2018 Road Project Final Payment Application (Mark and Tom)
- 6) WWTF Engineering Agreement (Mark)
- 7) **TABLED TO ALLOW MORE TIME TO COLLECT INFORMATION:** Request from Tony Fyle to put an unborn child monument in the cemetery. Tony will provide a picture of what he would like to install. (Tony Fyle, Tom if Tony can't make it)

FYI

- 1) Preliminary winter/plowing forecast (Snowbirds/Chili Willies may want to start flying south!).
